

Woodgrange Web Bluebell Walk 1

Wanstead Park

DIRECTIONS

Start at the changing rooms on Wanstead Flats, at the junction of Capel Road and Tylney Road.

The walk

1. Head north across the Flats with the changing rooms to your left. Cross between the football pitches and follow the path past the wooded area to your left, dog-leg through bushes keeping the built-up area (and fuel station) to your right, and the small sports area to your left.
2. When you reach Aldersbrook Road, cross at the pelican crossing, and walk up Park Road to Wanstead Park. Follow the cycle path as it curves round to the right past the Heronry pond.
3. Where the path turns left up to Warren Road, pass through the gate. The Temple is now straight in front of you (see below) and the bluebell wood is to the left.

Route map

Return

From the wood, you can either walk home by the same route or walk back past the Shoulder of Mutton Pond and straight on to Blake Hall Road. Here you can catch a bus (101 to Manor Park; 330 to Forest Gate).
